## TEWKESBURY COLTS GETS A NEW HOME

Congratulations to Tewkesbury Colts who secured a new community sports pavilion after working tirelessly behind the scenes with Bloor Homes. For years the Colts have played on pitches without any facilities, which has deterred girls from playing football.

The successful application for Bloor Homes will secure the long-term future of the Tewkesbury Colts FC and give further opportunities to grow girls' football. The Pavilion will also be a space for broader community use.

## TIRLEBROOK FOOTPATH CLEARUP

On a sunny Sunday in August, seven Newtown residents helped clear up the overgrown footpath along the Tirlbrook. We managed to cut back the brambles, nettles and spiky burdock. They had made the footpath "impassable" for months. Local resident Michelle, assembled a team, and with shears, secateurs and loppers, we tackled the blockage. We are delighted to announce that the footpath from Walton Cardiff Lane to the Nature Reserve is now open.

## OUR WORK SO FAR...

### Jenny's field gate

We have had the pedestrian gate to Jenny's field's car park fixed.

### Grass cut on the cycle and footpath

After complaints from residents, we contacted the County Councillor and we are pleased to report that the cycle and footpath on the A438 opposite Alderman Knight school is now clear.

## WHAT RESIDENTS SAY...

### WHEATPIECES RESIDENT

I had an issue and approached Hilarie and Helena, and I am really pleased that they got out in touch and resolved the matter swiftly. I am impressed with their work.

### MICHELLE, NEWTOWN

The residents of Tirl Bank required a meeting with the new Green Councillors at a resident's house. We were gathered outside before the meeting and to our surprise, two ladies turned up on their bikes. It was refreshing to see that they practice what they preach.

## WATCH THIS SPACE

Some Newtown residents have set up a Residents Group, hoping to have at least one representative from each street, to meet regularly.

The aim is for residents to share their views on issues that are important to them.

And it will be a great opportunity to get to know neighbours, and for people to socialise and chat.

The first meeting took place in The Canterbury in September. Michelle Harwood was joined by Hilarie and Helena, along with two Town Councillors and 20 residents.
