COUNTY COUNCIL EDITION

AUTUMN 2024

Helping veterans: Cate secures free bus passes

Free bus passes for veterans seeking work are now available thanks to Cate's work at Gloucestershire County Council.

Cate says, "It can be hard adjusting to civilian life and transport can be

a barrier to getting a new job, so helping veterans is really important. Veterans don't tend to ask for help so I've been particularly pleased by the response."

Find out more at a Job Centre or see: <https://tinyurl.com/59nrc8z5>

New share box: for books, for Twyning

Through her County Councillor Build Back Better funding, Cate paid for and liaised with a local group to make the new book share box in Twyning for residents to enjoy. It's a great way for the community to access free reading material. There are share boxes in Prior's Park, the Town Hall and Mitton as well.

HAVE YOUR SAY!

Potential route options for M5 Junction 9 and A46 (Ashchurch) Transport Scheme.

Have your say on the scheme, between now and 2nd December. See www.gloucestershire.gov.uk/J9 or ask at the library if you do not have access to the internet. It is important to have your views heard

and that includes ensuring that we have more Robin buses and more safe provision for walking and cycling to help reduce congestion and reliance on cars as the only option.

Traditional Hedgerow laying: Free trees and hedges

Part of Cate's work as a tree warden has included completing a hedgerow course. All three Council's that Cate sits on have declared Climate Emergencies meaning that they must reduce their emissions and support residents to do so too. Can you suggest places that we could replant hedgerows? Would you like some free trees or hedges for your garden, business or constituted group? (You will need permission from the land owner). Please get in touch.

Wyevale Nursery site visit: learning about trees and shrubs

Cate is a tree warden so she visited the Council's largest supplier of trees and hedging plants. Trees and hedgerows help to capture carbon, reduce emissions and provide habitat for wildlife. The visit included learning about potting and cutting techniques, cold storage, growing on trees in fields and nurseries, pest control and various hi-tech equipment.

Free Daytime Dances: come and join in

Cate has been running monthly daytime dances since 2022. Great for people wanting to make new friends and fun exercising, although some prefer to watch and enjoy the music with a cup of tea instead. The dances are free and suitable for all ages.

Next dates: Wed 20th Nov and Fri 13th Dec, 1-4pm at The Watson Hall, Barton Street, GL20 5PX.

JOIN THE GREEN PARTY

Could you help the Green Party grow here in Tewkesbury?

There's never been a better time to get involved!
