NEW FOOTBALL PITCHES ON THE BLOOR DEVELOPMENT

We joined Councillor Rao Shyamapant of Wheatpieces Parish, the Planning Manager at Bloor Homes, and committee members from Tewkesbury Town Colts FC to celebrate the start of work on the sports pitches. Construction of the pavilion is set to begin later this summer.

THE JAVELIN ENERGY FROM WASTE PLANT

Our green bin waste (general waste) ends up at Javelin Park Waste Facility, where it is burnt. On average, 25% of the green bin waste consists of food and garden waste, and 25% of cardboard, paper, and wood. All this waste could be composted by separating it into the food and garden waste bins, allowing it to be recycled correctly.

⚠️ **CAUTION!** Lithium batteries, laptops, phones, and gas cylinders should not be put in the green bins as they can cause a fire or explosion.

Morrisons has launched a new coffee pod recycling scheme.

JOIN YOUR LOCAL NEIGHBOURHOOD WATCH

Neighbourhood Watch is the largest volunteer-led crime prevention charity in England and Wales. There are currently active ones on these streets:

Newtown: Tretawn Gardens
Wheatpieces: 2nd Crossing Road, Nightingale Way, Starling Road

If there isn't a group near you, you can set one up! Here's how.

1. A person signs up to be the coordinator.
2. They then find residents in the area to join up.
3. Members of the group can communicate if there are issues, such as power cuts or Wi-Fi failure.
4. When there are messages or alerts from the police, the coordinator forwards them to the group. This allows members to be alerted, stay vigilant, and respond to any police requests.

Most groups use WhatsApp to communicate and share updates.
