

JAMES ROBINS

Green candidate for Northway
Borough Council by-election
Thursday 10th July

Dear Resident,

I'm James Robins, your local Green candidate for Northway. I was born in Gloucestershire and have lived here for the past 20 years. I am proud to be standing for election on 10th July.

We have the skills for the job – and the track record to prove it

I have lived and worked in the county for most of my life, including 19 years working in local factories. At the start of my career I was elected as a trade union representative and worked tirelessly to improve conditions for the workforce and to support people when they needed help. Later I moved to operations management, including leading a successful start-up that created 70 jobs for local people.

I care deeply about our community. I believe the best way to make things better is by listening to what matters to you and working together to solve problems. That is what I have always done, and that is exactly how I will work for Northway if I am elected as your councillor.

Why I'm standing for The Green Party

Local people are the experts on local issues and I am a firm believer that good decisions always focus on the communities they affect. The Green Party works in this way, focussing on people first. It is the party of social and environmental justice, prioritising people and planet in all that it does.

What elected Greens have achieved in Tewkesbury

- Installed solar panels at Tewkesbury Borough Council car park, providing 65% of the council's energy needs, and saving £50,000 per year.
- Organised and supported community action days for town and footpath clean ups
- Introduced Energy Statements for housing developers, bringing improvements to building standards and sustainability

Best wishes,

James Robins

James Robins, Green candidate for Northway

P.S. We can win but it'll be close with the Reform and the Lib Dems, so please vote for year-round hard work, vote for James Robins!

VOTE GREEN

Please display this poster in your window to show your support for James Robins in the Northway borough election. Thank you.
